Street Lighting - Rosie from NYSEG sent a contract for the village to sign. We will be purchasing the present street lights from NYSEG and they will be replaced with LED lights. There will be a new light pole put up at the parking lot on College Avenue. The mayor received a complaint from a lady crossing the road on Main Street near the dance studio and was almost hit by a car because the area is dark. There will be brighter LED lights on the two poles in the approximate location.

Motion: to allow the mayor to sign the contract with NYSEG

Garbage Pickup - A resident on Grove Street called Taylor Garbage and they said they are no longer doing the \$2 tag for furniture pickup. A call was put in to them but they hadn't responded yet.

Local Law #1-2019 - The board wanted a change to the proposed law on §107-12 Section E, that "Code Enforcement Official or the Village Treasurer" be changed to "Village Board".

Local Law #2-2019 – The board wanted a change to the proposed law on §197-4 Section E, that "Code Enforcement Official or the Village Treasurer" be changed to "Village Board".

Home Maintenance Repair - Gary sent out violations for repairs to homes to 5 Pine Street, 3 Bridge Street and 5 Dewey Road. Gary stated that if we are going to go after some of these properties, we will have to go after all the ones in disrepair. A violation was also sent to JF Auto at 38 Chapel Street in regard to unlicensed vehicles. Several vehicles were written up to be taken care of. There was much discussion regarding the zoning at that location.
