**2022-2023 Village Budget** - The Clerk/Treasurer presented the board members with a proposed budget. All budget line items were discussed. There needs to be more research on the line item A1621.2 for office equipment. David stated the house at 144 Main Street has been abandoned. Can we shut the water off? That will have to be researched also. We need to do ZBA and Planning Board training. We need to increase water rates. There was discussion that we should raise the amount we charge users of the Community House. Will have to research to see if it can be done by resolution or motion or local law.
