2022-2023 Village Budget - Ruth Ann Seward and Cathy Ciminera were present. Ruth Ann asked about the personnel line item for A5010.1. It was explained that the guys salaries are divided up percentage wise by streets, water, park and building maintenance. The budget items were finalized. There was discussion on 144 Main Street. The electric is not off and they did read the meter last March so they don't fit under the criteria of not reading it two times in a row. But with it abandoned, there's much concern about pipes freezing and breaking. It was decided to turn the water off and if within a short time they want it back on, it can be turned back on and no fee charged.
